THE BISHOP OF MANCHESTER AND DISTRICT.—For some months past negotiations have been going on between the Bishop of Manchester and Dr McSwiney, for the purchase of a public park. The place of ground previously occupied by the late Duke of Devonshire consisted of about 25 acres, and was situated in the heart of the city, and close to the surrounding country. This ground is now very valuable, adjoining to the Victoria Theatre, and the new buildings which are being erected there. The ground was valued at its present value, and would employ a large number of factory operatives. It was proposed that the Bishop should acquire the land, and he has declined making the Bishop of

In reply to this letter the Committee addressed a letter to his lordship, representative of the case, and stating that the glebe so valued by a surveyor appointed by the Corporation. The Council received a reply from the Bishop, who interplected lands, and the terms where the his lordship is understood to have expressed that the real value of the land is at least than that fixed by Dr Moleworth. The intended to be brought up at the next Council. The interdict has placed the somewhat awkward position, for acting opinion, they have employed a person clearing the land,
