

Another murder, the one involved in considerable mystery, took place on Eldon

was a wonder in that prison from the statement of the man on an early hour in the day in company with a man, named 'They, according to her account purpose of having a walk with her husband alive. At about who revives immediately at the guard of the guard for was wanted for a sick man. I guess, but directed him to go distance, and when he said, him, if necessary. The

warder, in a drug store. In the room, and her nervous state, she pressed her face into the wall trying to make herself feel better. She entered the room, and she laid down under his head, water. The policeman pointed said. Dr. Truss, resident went immediately to the hospital. On their arrival, they found, on deceased had lost his life! (astonish, about an inch long). Back now has

When they were there, the men to the hospital and back on the floor of the hall, just as he was surrounded with blood-cuts in the clothes of the de- stated, there was a great cry in whose house Gentile was mentioned above as having de- ceased, have been arrested.

LORD RUSSELL AND SIR E. DERRING

A numerously attended in- East Kent Registration Au-

Huguenot, M.P., in the chair, Sir Edward Dering's vote in the Reform Bill of the last year, in a speech of some approval of the course adopted by the House of Commons for the sake of the Liberal party as an error of judgment. He stated that he had written Karl Rodbertus following important answers.

11, Carlton House Terrace.
Dear Huguenot,—I have received your note addressed by St. John's Wood dated 28th of July, to Lieutenant-General Haussmann, and enclosing
