

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and a prominent vertical crease down the center. A small dark mark is visible near the top left, and a faint, curved line is near the bottom left. The binding edge on the right is visible, showing the inner structure of the book.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and a vertical crease down the center. There are several small dark spots or stains scattered across the surface, particularly near the bottom left and center. The right edge of the page is slightly irregular, suggesting it might be part of a bound volume.
