LIVER, THE HEAD, THE HEART.

The great healthy liver is the heart of the body. It purifies the blood, and sends it to the brain, the lungs, the stomach, and the rest of the body. It is the great central organ of the body, and it is the great source of life. If the liver is weak, the body is weak. If the liver is diseased, the body is diseased. If the liver is healthy, the body is healthy. Therefore, to keep the body healthy, it is necessary to keep the liver healthy. This can be done by eating a healthy diet, by exercising, and by using a liver tonic. The best liver tonic is the one that is made from the purest and most powerful liver-purifying ingredients. It is the one that is made from the purest and most powerful liver-purifying ingredients. It is the one that is made from the purest and most powerful liver-purifying ingredients.
