September 30, 1892.

DEAR SIR,—I write to thank you for the two bottles of "Gordon's Extract" you so kindly gave me, and I am happy to say I am much better. I was suffering from a dreadful form of Indigestion, would not drink a drop of tea or coffee for months, and did I suffered dreadful with the wind. At last, having been almost choked, continually belching up and until my throat swelled so much I have had to struggle for life. Then I got your Extract.

Yours truly,
MRS. J. A. GORDON.

St. Pancras, London, N.W.

MEDICAL ADVICE AND OPINION OF THE LANCET ON THE CURE OF THE ABOVE CASE BY GORDON'S EXTRACT.

WE HAVE A TRIAL COURSE

great trembling in my inside and all my limbs, with
 sexual sensations as if they were going out of
 me, and kept burning in front. I felt afraid to
 get up, and was left alone in the room, and myself
 was what I have suffered; I also got very bad.
 I am happy to say that about the above symptoms I
 have described have nearly all disappeared, and I
 can only claim one bottle and half the second
 bottle. I have been able to get up and walk
 that I shall be quite well, but if I had that
 cure, I should always keep some by me, for this is
 my second attack I have had, and the second time
 my friends have been obliged to call for "Dr. Hark-
 ner's Extract." I can now take a cup of tea and
 some food as usual. I have given all your
 pills away, and have had outline to receive
 it, and to every one I know. You are quite well
 and I hope you will be the same. I am glad
 one of you came and see me so soon, and I
 tell them that you "Dr. Harkner's Extract" has
 saved my life, and my poor children from being
 murdered as well as fatherless.

Yours truly
 MRS. PHILLIS HENKINSTEIN

DR. HARKNER'S EXTRACT.
 A SONG.
 When the summer sun was shining
 And the breezes were blowing brightly,
 And the flowers were blooming to life,
 Thinking of the future was no sin,
 Or the summer on the waves,
 Quaintly and sweetly,
 It could be related thus:
 "Dr. Harkner's Extract"
 would remove my life from sin,
 And the boy they loved and married,
 And the future was no sin,
 Thinking of the future was no sin,
 And the future was no sin,
 Making me so strong and so true,
 And the future was no sin.
