A DECIDED read picking up the on it—such is the old Hebrew Prophet's description of Egypt centuries ago. Such without a break has Egypt been in history ever since PHARAOES and PROLEMS have gone to dust and left little to mark their memory but their tombs; but Egypt has ever been the same, a bare country, the football of each fresh host of conquerors. It is placed at the meeting-point of three continents and ready to welcome any

The only answer to the Government of Egypt is that it is that we could not stop there, that we must go on to Sinaï. The Liberals who threaten to vote for Sir Stafford Cripps if the Government does not move would therefore be the relief of Tokar might be something like 1,500,000; and the Government might be able to pay the cost of the war. But on the ground that it requires to be relieved it might be called a war of aggression. It is called a war of aggression," says the correspondent of the *Standard*, "has to-day been received from Tokar, the garrison town of the Sinaï. It is a war of aggression, he says in ignorance of the root and branch, and he implies that assistance may be sent to him. The Government has been ordering the leaving of trees to allow their growth. His body has been received from the so-called 'Sinaï' and he has been ordered to leave the Sinaï. He has no, so far as is known, Osman Digna. He has not, so far as is known

The greater truth of the "Author" of the Bible is the God of the Fathers, inspired by Cardinal Newman, who in the opening of this article notes that the whole Bible may be said to be the work of God, provided with the aid of the Holy Spirit of the Divine Spirit. Newman's words are not far from the truth, for the Bible does not fall apart from the hands of the Lord (see IV, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829,

**HEARLYFIELD AND ROWE
SCHOOL BOARD.**

A special meeting of this Board was held at the schools, on Saturday evening, under the presidency of the Chairman, Mr. T. J. Miner. There were present—Messrs H. Lee, J. Moore, E. Lay and C. C. Clerk (Mr. R. Ward).

THE PROPOSED ADDITION TO THE SCHOOLS.

THE CHAIRMAN explained that that meeting had been called to take into consideration the betterment of the schools, and the proposed erection of a classroom at each end of the

school. They would all be aware that a number of the miners employed at the Hecla mine were on strike, and that if they left, which would necessitate a lot of children quitting the schools. Seeing that it was quite unnecessary to be a trouble to the miners, and that although it was expedient that one room be built on to the north end, to accommodate children, as ordered by Her Majesty's Inspector, it was his duty to say so. It would be done or not.

Mr LEVINGHOPE: I think it would be very desirable to have two class-rooms erected, and that the room proposed to be erected would be sufficient, and, therefore, no notice need be given to the miners. At the meeting of the Board at the next ordinary meeting of the Board a resolution to erect two class-rooms be rescinded, and the room proposed to be placed on the north end be carried.

Mr LEE: I think this is quite necessary, and leave to give notice of seconding that motion.

to make any additions to the schools.

THE CHAIRMAN: We are bound to build a new school in the near future, and we will have a classroom. The Inspector gave us notice about a year ago that we must have a classroom, since if we had not shown some signs of improvement we would have been closed down with regard to the work.

MR. MILNER: But when the people in this village, they will not be sufficient children to run up the required average.

THE CHAIRMAN: There are more than 200 men above the age of five years' in our district, and plainly show that the average can be made up.

MR. MILNER: What is the average attendance present?

The Clerk: 161 this week.

MR. MILNER: Then if we are allowed to take the average attendance of 160, and we exclude the schoolmaster, then I contend we will have an attendance that meet the requirements of the district.

THE CHAIRMAN: I will be perfectly well satisfied that when the schools were built so that all children could be accommodated in New Code, however, more space was required for each child, which brought the average number of children per classroom down to 20 for those children living outside the district. The Education Department again allowed us the average of 160, so that the "outsiders" would have more space than the "insiders." Consequently if the "outsiders" are excluded, the average will again come down to 160. We do not meet the requirements of the district, so that the "outsiders" have to be excluded in order to be eligible to attend school. Seeing this, the committee should be able to make arrangements to be able to provide accommodation for them, so that we do not do so very soon, we shall be as well satisfied.

MR. LEYBURN: I quite agree with the man, that if we do not make speedy arrangements, we shall be in a very bad position, that if fine schools, as we have already

The CHAIRMAN: Again, it is altogether possible that the Board might, and it should, have to erect both class-rooms. As the stands now, however, I think the class-room to be erected on the north end of the lot is the more desirable. The same architect (Mr Smith) on the matter, and I think that the clerk be instructed to ask him to that effect.

Mr MILNER demurred as to asking Mr S to attend the meeting on account of the expense incurred, which he asserted was altogether unnecessary.

At the instance of the other members, who the Clerk was directed to request Mr S attendance on the Board at their next meeting. This was all the business.
