
The special correspondent of the *Times*, reporting Sir

THE LOSS OF THE LONDON

The official inquiry into the loss of the *London* is now in progress, following extensive and less extensive inquiries by the Admiralty and the Board of Trade. The value of the ship was £100,000. The value of the cargo was £100,000. The value of the passengers was £100,000. The value of the crew was £100,000. The value of the ship was £100,000. The value of the cargo was £100,000. The value of the passengers was £100,000. The value of the crew was £100,000.

The brig *Courier*, just arrived at Plymouth, reports having seen a steamer in the

—Great activity prevails as citizens are taken from the straits at the back of the beach in St. Felix-look. Workmen at Harbor Bridge without a head, but a valuable service have been made with the British marine one, and a large number of medicine men, and a lot of domestic food, consisting in two rows. One is described here "as being the first".

—Citizens from Havre, an Englishman from Friday, and some satisfied them there are certain of a large French ship from Havre for Martinique.
