

AND DERWENT VALLEY ADVERTISER

10

—

18

This image shows a vertical strip of a document page. On the right side, there is a dark, textured binding edge, possibly made of leather or a similar material, which appears worn and slightly irregular. The left side of the strip shows the page surface, which is light-colored and covered with numerous small, dark specks and dust particles, suggesting an aged or dirty piece of paper. The overall appearance is that of a close-up, vertical view of a book's edge or a similar bound document.
