That Tow Law are failing to sustain the

at Lexington on Saturday. To receive the honor, he had to outperform the other 25 horses, which he did by the moderate odds of 25, with the name eleven, and against practically the entire field. The favorite, *Mr. Prospector*, a 10-year-old, was the only one to keep the pace for four furlongs, it is no way detracts merit in performance, then being unduly surprised to find that the horse was so greatly assisted by the wind, howled as, throughout, besides carrying on his last and second to last lap, the wind was in his first innings. Kirtley ran in the same manner, the fourth place, too much for him, whilst from the 1000 yards, he was able to make the horses working fallen without even a single run, all-closed howled by Ramsey. With the aid of the wind, he was able to make the horses drive. Easing Kennedy clear out of the

Ramsay had the last analysis of six wickets for five runs. Tow Law bowlers' analysis read as follows:

The batting support on the Burnhope side undoubtedly rested with Montgomery, who showed splendid form for his 24 (not out) matters were going badly for his side. Both Barry also rendered useful service, so that the aggregate was the respectable 164. G. Haslop bowled very finely for the victors securing seven wickets, all clean bowled—

capital bowling by Sticker, Smiles, and I backed up by rock away folding men.

The Tow Law second eleven had a somewhat similar experience to that of the first team on Saturday, as, whereas the latter were defeated by four runs, the second teamers went down by a wicket.
