nutrition, and by a careful application of eggs has properties of well-selected Cocoa. Mr. Egge has provided our breakfast tables with a delicately flavoured beverage which may save to many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. A large number of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal ailment by keeping ourselves well fortified with pure food and a properly nourished frame. — *Civil Service Gazette*.—Made simply with boiling water or milk.
