CONSETT LOCAL BOARD.

The next meeting was held on Wednesday evening, Mr. Wm. Jenkins, J.P., in the chair. Present were: Messrs. J. E. Siddons, J. E. Davies, O. Wain, G. Alsworth, E. Duns, the Clerk, Mr. W. W. Wilford, and the surveyor Mr. W. H. Phipps.

THE CHAIRMAN'S REPORT.

The Chairman and the Board suggested that a half-day school should be provided for the school-children of Consett, and that a day school should be held in the Town Hall. He did not himself, however, think it was within the business of the Board. He thought that the managers of the school should be the ones to provide for the children in the shape of a school for the children of the town.

Mr. Duns said that he thought it might be possible for the managers of the school to do this. It was his opinion that the idea would meet with their approval.

The Chairman said he did not altogether care about spending money in power and such, otherwise fireworks on the 5th August might amuse the children just as well as to have the money. Mr. Ainsworth thought it would be a good idea to have a school. They never had one of their own.

The Chairman asked Mr. Duns if any more had been done in Consett yet. There still appeared to be nothing.

Mr. Duns said that as far as he knew nothing had been done.

The Chairman thought if they were supported they might manage to promote a school for the children on the 21st of August. He would like to see the children and school and march to the field in procession and sing "God save the Queen."

Mr. Ainsworth thought fireworks would amuse them as well as anything else.

Mr. Duns considered the money would be well spent if they had it.

The Chairman: Is there any prospect of obtaining the money? Has the trade in Consett improved any?

Mr. Duns thought there was a slight improvement.

Mr. Duns said he did not think there was any improvement whatever. There were still a number of men out of work.

Mr. Siddons: There is greatly improved, Mr. Duns. As to men being out of work, I say we have a difficulty in getting labour.

The Chairman: Will there be any difficulty in obtaining £200 or £300 for the purpose of providing a school?

Mr. Ainsworth believed they would be able to obtain such a sum.

The Clerk said that they would have to be sharp about getting subscriptions. It did not want long till the 21st June.

Mr. Duns said that the school would be settled upon what they would do a month ago.

The Chairman thought the school would be right for the children to be led to expect a school if they would not be able to raise the money.

Mr. Duns said that if they intended to do anything they had better call a meeting of the school.

The Chairman was of the same opinion, and thought that they had better call a meeting to consider the question.

Mr. Ainsworth considered it would be best not to state what they intended to do with the money. Those who subscribed it would want to have their say in that matter.

It was ultimately decided that circulars should be printed and issued indicating that a meeting would be held on Friday (Friday) for the purpose of taking the matter into consideration.

The Chairman was asked to return to the office for the forthcoming bill in connection with the school. The bill is to be continued the same as the Local Board decision.

Mr. Duns remarked that it was a pity £250 would have to be given as a school.
