[ADVERTISEMENT.] — *Holloway's Pills*. — Stomach, Liver, and Bowels — In all painful affections of the stomach, and disordered action of the liver and bowels.

One single trial of the Pills will demonstrate that they possess regulating and renovating powers in a high degree. They specially restore the appetite, lessen the violence of indigestion of the abdomen, and so prevent inflammation of the bowels, and other serious abdominal ailments. Holloway's Pills afford the greatest comfort to the dyspeptic invalid without harassing or weakening the most delicate constitution, or interfering with the most active exertions. His fortaleza is the most perfect piece of mechanism that can be conceived, as strong as steel and compact as ivory, and disarmed of sinew and muscle to be found only in the able weapons of the most agile and docile animals. His jaws, neck, and shoulders give strength. And, with reference to the

ordinary studies, pleasures, or pursuits. The simplicity and efficiency of this treatment has evoked the gratitude of all classes in both hemispheres, and commanded a sale for these purifying pills unprecedented in medical history.
