

HUSBAND AT

[illegible]

er's warrant at the next

day yesterday (Thursday) afternoon brought magnanimity. By an excited throng, who were half the first and half hours present, Mr. Nixon, editor, the wife of Mrs. Smith. The same day, the day before, with a few additions—The quarter of an hour, and on the prisoner was charged in the trial, "I am perfectly innocent."—The Mayor then said that the committee for manufacturing a decision which would place in the one case had been closely then removed from the dock.

ARKETS.

N TRADE.

There freely day it, whilst the have been seen their latest point tendency, and a further further order from established in reached in highest quantity than, but we are certainly aware of the fact that the market is in the end, and has been long been, and will maintain previous have been an advance of 100 purchased to a far extent, from here, there. Issues and pose out, at an enhancement of 100, and then steadily and quite as day.

MARKETS.

KET, Tuesday.—At this day's supply of wheat from the

of cattle, but a small arrival of calves was at a decline of 15 cents. The market was steady, but a small arrival of calves was at a decline of 15 cents. The market was steady, but a small arrival of calves was at a decline of 15 cents.

MARKETS.

Chicago, Tuesday.—The show was well attended, a decline of 7 cents being noted with that of last week. The market was steady, but a small arrival of calves was at a decline of 15 cents. The market was steady, but a small arrival of calves was at a decline of 15 cents.
