The home men had the best of the game most of the time, and though playing against the wind scored one goal, the visitors being unable to get a point. Soon after the change of ends, F. HOBSON RANGERS V HEATON WANDERERS.—Played on the ground of the former in fine weather.

The Rangers won the toss and elected to play with the wind, but the ground was not in best of condition owing to the snow being so severe in some places. Two minutes after the start McNeal shot but was saved. The Wanderers goal-keeper fisted out. There was some give-and-take play, in which the Rangers had the best of it. Trewick got the ball and took it a considerable distance down the

field and shot for goal, but only resulted in a corner kick. The Wanderers took the ball as sent in a shot which was well fisted out. The home team warmed up to their work in the second half. McNeal took the ball and passed it to Parker who failed to kick a goal. On the kick out the Wanderers took the ball up the left wing. Bell returned the ball and passed it to Trewh

and he set the first goal for the Rangers. The ball being centered, when some fast play followed the Rangers came away with a rush. McNamara past to Parker who shot a fine goal, which was number two for them. On the ball being set in motion some very hard play took place, each team pressing very much, and at the call of time the Rangers were victorious by two goals to none.
