you have a letter late in the month, and the longer is covered with a thick fog. You are oppressed with a feeling of weight or fulness in the chest or stomach and a rattling noise in the bowels. You are troubled with water-brash, flatulency, headache or pain, acidity, headach, giddiness, pain in the back, pains in the limbs, shivering, aching pains in the limbs and limbs coming on about an hour after meals, and a tendency to drowsiness. These are all symptoms of a disordered Liver, and may result in total prostration.

IS THERE NO CURE?

Happily there is. No one need suffer from such distressing ailments, if they use
