hating set many examples, that a woman need not disfigure herself in an attempt to be beautiful. One lady in a long pallase of green silk and a bonnet of gold lace made a style of colouring wherever she went, very strong and aggressive. The most startling dress was of amlsashmere trimmed with creas-green velvet.

poor sufferer immediately. It is pleasant to taste. It produces by relaxing the child from pain, "erases" as bright as a button. It softens the gums, allays all irritations, soothes the bowels, regulates the bowels, and is a cure for dysentery and diarrhoea, whether of other cause. Mrs. Winsell is sold by Medicine dealers at 25¢ per bottle.
