A CANDID CONFESSION.

WHEN we began to advertise Ten Pounds of the Cheapest Tea in England for Twenty Shillings, we did not expect it to be a profitable speculation unless we created a great demand. It was a daring experiment that has received a favourable verdict from all sorts of people. We are proud to state it has increased our Tea Trade to such an extent that finally it has been a great success. Although we have received large numbers of Tea-Orders, we should still say. Such confidence have we in the quality of the Tea, we understand their own interests, by every delivery we will still think if the people thoroughly enjoy to offer the money should the Tea not please, a Post-office Order for Twenty Shillings will secure, carriage paid to any Address, 10lbs. of the cheapest Tea in England. Orders to be made payable to
