**JUDKIN'S IMPROVED GAS REGULATOR.**  
SECURED BY ROYAL LETTERS PATENT.

Under the direct Patronage of Her Majesty and the Hon. Board of Ordinance, and adopted by the Crystal Palace Company, and all leading Firms in Great Britain.

The great saving effected by this Regulator is the consequence of its so regulating the pressure through the main pipe leading from the meter, that whereas the pressure from the street may vary from 1½ to 3 inches, the Regulator keeps the pressure at

most economical burning point. It is self-acting. For instance, if 60 lights are burning, and 49 are turned out, the extra pressure on the one left will cause it to flare and whistle—blackened ceilings testify to this—whereas with a regulator this is entirely

construction, and the regulators being most simple in their construction are not liable to get out of order, and when properly fixed require no attention whatever.

**MARAVILLA COCOA.**  
THE PERFECTION  
OF PREPARED COCOA.  
**MARAVILLA COCOA.**—SOLE PROPRIETORS,  
TAYLOR BROS., LONDON.  
THE COCOA (OR CACAO) OF MARAVILLA is the true  
product of Lima, Peru. Cocoa is indigenous to South America  
and is known to a limited portion  
of the world. The TAYLOR BROTHERS have secured the exclusive supply  
of this UNRIVALLED COCOA, have, by the skilful applica-  
tion of their "soluble principle" and elaborate machinery  
"THE PERFECTION OF PREPARED COCOA."

It has not only secured the preference of Homeopaths, but also of temperate wine and beer drinkers generally, but many who had hitherto not been converts to the doctrine of Homeopathy, after one trial adopted MARVELLOUS COCOA as their constant beverage for breakfast, luncheon, &c.

**A SUCCESS UNPRECEDENTED.**—The *Globe* says: "Your Brother's Marvellous Cocoa has achieved a thorough success. It has been tried by thousands of persons, and in all cases it has proved to be a most valuable and invigorating beverage. It is so good, that we should not recommend a more agreeable or valuable beverage."—Sold in packets only, by all Grocers.
