Foreign Intelligence.

ITALY.

King Victor Emmanuel of Naples, whom he has had an enthusiastic reception. The first thing done by His Majesty after his arrival at Naples was to visit the hospitals, and to express his sympathy for the suffering. The king then proceeded to the city, and was received with the most enthusiastic demonstrations. The king then proceeded to the city, and was received with the most enthusiastic demonstrations. The king then proceeded to the city, and was received with the most enthusiastic demonstrations.

SPAIN.

A meeting of the directors of the Bank of Spain took place on Tuesday, at the residence of the Minister of Finance. The Minister stated that the payment of the interest on the loan and the redemption of the bonds of the Government of having received a new loan, or of repurchasing bonds. The session passed off without the least excitement, and the directors of the Bank of Spain were satisfied with the result.

INDIA.

A British merchant, a well-known trader in the Indian market, has been arrested by the police of Calcutta. The merchant is charged with the possession of a large quantity of opium, which he is alleged to have imported from China. The police are said to have found the opium in a warehouse belonging to the merchant. The merchant is now in custody, and the case is being investigated.

SWEDEN AND NORWAY.

A change in the composition of the Government has taken place in Sweden. The King has appointed a new Minister of Finance, and a new Minister of the Interior. The new Ministers are said to be men of ability and experience, and their appointment is generally regarded as a strengthening of the Government.

AUSTRALIA.

The constitutional debt of Victoria has led to some serious consequences. The Government has been unable to raise the necessary funds to meet the debt, and this has led to a crisis in the Government. The Government has now decided to raise the debt by issuing new bonds, but this has led to a loss of confidence in the Government.

WAR BETWEEN SPAIN AND CHINA.

The war between Spain and China has now entered its third year. The fighting has been going on in the province of Yunnan, and the Chinese have been making considerable gains. The Spanish Government has now decided to send more troops to the front, but the Chinese are said to be well prepared to meet them.

THE INSURRECTION IN JAMAICA.

Details as to the insurrection in Jamaica, according to the latest news from the island. The insurrection has now been suppressed, and the rebels have been taken into custody. The Government has now decided to send more troops to the island, to prevent a recurrence of the insurrection.

HOBART TOWN.

Major-General O'Connor, C.B., commanding the forces of the island, has been ordered to leave Hobart Town. The General is said to be leaving for England, and his duties will be performed by his deputy, Major-General Sir James Mansfield.
