ST. ADAID'S PARISH HALL.
A resolution of the interior has been passed by Rickaby by the statement that in future St. Aidan's Parish Hall, would be closed to Non-Communicants. The resolution was passed by a large majority. Action had been taken on account of Mr. Atherton's refusal to allow the use of the hall by members of his established church at the period when Primitive Methodists were in the infancy. A statement was made by the Rev. T. J. Storey had announced that he would not be present at the meeting. He had been excluded from using the hall, in his sermon on Sunday. Mr. Storey, on Monday, informed the congregation that he was not present, and declined to make any further statement. The resolution was passed on the 10th of the week, several officials of the church informed the members of the Bazaar that the Non-Communicants would not be allowed the use of the Hall. The resolution was passed by a large majority. It is to the effect that it shall not be used for public religious services, except by members of the parish. It is probable that Mr. Storey was annoyed by the resolution.

A letter which I read from the Local Government Board, in which it was stated that an application had been received from the Lancaster Joint Hospital Committee, asking that the Lancaster Urban Council, and that an inquiry would be made into the matter. The Chairman explained that that meant they would be required to say how many members of the Council would be required to go to Lancaster, and that they would need a man down to Lancaster, and it would be necessary for the Council to consider whether they would think a fair proportion of members should be sent. The Chairman said there were on the Board—The Chairman said there were 21 members—Mr. Bowes said that the Council would be asked to make a considerable value.—The Chairman: The Chairman of an Urban Council is an elected member of the Local Government Board.
