MISCELLANEOUS MARKETS.

It was an interesting attendance on Saturday Midland—
and a considerable amount of business was done.
The expected advancement in prices, which have
frequently foreshadowed, actually took place. All
cattle buyers of pig iron agreed not to sell No 3 at
each 18s. and No 4 at 14s; delivered into trucks for all
district. There is a great demand for No 1, which is
realising £9 6d., and the same price for No 2, which has
been obtained. The stocks are still considerable,
the warrant stores at Middlesbrough continuing to
diminish, only 70 tons having been sent in during
past week, while 1,725 tons have been sent out dur-
ing past fortnight. In all the branches of the manufac-
ture there is a feeling of uneasiness, the most alarming discrip-
tion being that of the market, well-known—Hutton's

Hartley 16s 6d. Ships at market £2, sold 50.
