

in Lancaster and Withnall. I have since written

SHOTLE
WEST
CONSE
Fifty years

In 1860, the 5th year of the reign of the late Emperor Kow Jung, the principal character of the movement was the reform movement. It was a movement to reform the old customs and habits of the people, and to introduce the new customs and habits of the West. The movement was very successful, and it was the beginning of the modern era of China.
