A MINISTER'S TESTIMONY.
 The Manse, Wallingford, May 28th.
 DEAR SIR,—I am able to testify that James Kennedy was suffering from long continued Rheumatism in the Pains, and that through your South American Embrocation, as he informs me, he is now feeling better and is able to attend to his ordinary duties.

Yours faithfully,
 J. W. WALKER.

WILLIAM STUART,
Minister of the Presbyterian Church of England

Rev Father Rafferty, *Falling on-Tyner*, September 27th, 1890, says:-It is astounding the wonderful amount of good done in my parish through the medium of your South American Mistletoe and Fills. You are rightly termed the public benefactor.

DYSPEPSIA.

Mr Patrick Carling, Secretary Miners' Association, Blydenon, June 17th, 1890, writes, says:-Kindly allow me to add a few more words in praise of your wonderful South American Mistletoe and Fills. I have recommended them to a great number of people since last writing to you, and with the very best result. They ought to be in every house throughout the country. They are worth their weight in gold.

ancelot Slowther, Royal William Hotel, Cox
County Durham, August 6th 1890.

After being unable to follow my employment for several years, during which time I suffered most severely from Pain, and Weakness at the Stomach and Heart, Nervousness, Rheumatism, I tried doctors in Newbern and Sunderland, and various other remedies, but all to no purpose; I seemed to get no relief every day. At last, my mother, who had been bedfast for several years from Rheumatism, and whom your South American Embrocation cured in four months, advised me to try your South American Embrocation and Pills from Chester-Le-Street Store, and felt relief from continued taking for some time, and I now feel a great deal better. I am well known here, having lived all my life in this neighborhood, and the people marvel at the change which they see in me.

What use you wish of my name, and I shall be glad to give it, if you desire, for I firmly believe that I would have been dead long ago had I not been for your wonderful South American Embrocation.

Mr. William Miller, No. 9, Hedley Hill, near Tow
 Lane, June 16th, 1892. I was one of your five
 cures from Sciatica Pills. I was in pain no relief
 from any medicine until I received a bottle of your
 South American Embrocation. I only used it three
 times and I was able to go to work. All the pains
 have entirely left, but I shall keep a bottle of your
 bottle of it in the house. It is the best remedy in
 the world

LUMBAGO AND SCIATICA.
 16, Low Westwood, by Elcheater,
 County of Durham.
 DEAR SIR, - I have suffered (more or less) for 20
 years from Lumbago and Sciatica Pains. Many
 remedies I have tried in this time, and some have
 warded the pains, but my legs were always quite
 weak and numb. But after using one of your 4
 bottles of South American Embrocation and Pills
 the pains disappeared.
