THE GREAT TEMPERANCE PROBLEM SOLVED.

KOPS ALE

BREWED FROM THE BEST KENTISH HOPS.

KOPS ALE HAS all the good qualities of honest English Home Brewed Ale, and none of its drawbacks. It is marvellously like Bass's Ale, and yet FREE OF ALCOHOL. It is pure, wholesome, refreshing, thirst-quenching, and in no way deleterious (See the unimpeachable Medical Testimonials and Analytical Reports).

KOPS ALE IS an invigorating Tonic, aids digestion, creates appetite, aids slightly exhilarating without the subsequent depression, and is particularly recommended to those suffering from indigestion of the liver.

KOPS ALE.

R. H. HARLAND, Esq., F.I.C., F.C.S., Public Analyst. "I have carefully and fully analysed Kops Ale. It possesses many characteristic properties of well-brewed Ale. Is sparkling, bright, and clear, and I can confidently recommend it as a Temperance Beverage."

It is very gratifying to note that the examiner (Herr G. A. Juch) highly complimented Miss and Mr. Kline upon their method of training and very creditable results, and that the examination for the first examination he had held in the Northern District. Upwards of 800 pupils had taken the examination. The examination by Miss and Mr. Kline, and there has never been a single failure.

QUARRY FATALITY AT STANHOPE.

On Monday, at the New Sweden limestone quarry, Stanhope, while at work, the second line Wagon was being in blast, the rock, shot exploded, and threw the wagon over the quarry wall, and the driver, Harry H. Adams, was killed. Adams was immediately rendered, but his injuries were of such a serious nature that he lived but a few hours after the accident. Deceased was single, and about thirty years of age.

Coroner Proud, and adjourned till Friday next week, this being a case under the Explosives Act, in which

Newcastle Society, or had been presented to Mr. ASK, member of the Derwent Club, who may be collectors themselves, could see how much had been done in their particular line by others before them, and could both identify their own specimens, and, at the same time receive encouragement to preserve in their parents. A visit to Newcastle Museum ought to be considered by students of natural history, as one of the greatest treats that can be enjoyed, and its importance of this assertion, it is only necessary to quote the words of Professor W. H. Flower, in his presidential address to the members of the British Association, at

Newcastle. Professor Flower says:—"There has lately been established here, a Natural History

The head teacher reported as follows:—“At the end of the first week since we resumed school, the children were very happy. As is usual at the start of the school year, a number of children did not get back to school until the second week, consequently attendance for the first week was moderate. By the second week, however, gradually risen until this week when the attendance is 164. We have admitted 15 new children into the infant class, making a total of 53 on the books, with an average attendance of 45. Both rooms are now well filled, the mixed school, in fact, being overcrowded for pleasant teaching. The work of

The teacher reported that this school was the best of the district during the midweek holidays, with an attendance of 85 children, the cost of the usual month's holiday it was for the painting of the school-room not being paid. The children have been most regular in attending school, and the school has been in the register, giving an average attendance of 85.

A letter was read from Miss G. E. Newell, principal of the school, in which she expressed her regret for her to give up teaching, and therefore a notice of her intention to resign her appointment as teacher of the school, and to accept of an efficient teacher as Miss Newell, and decided to advertise for another at a salary of \$70 a year.

It was decided to make the Board's schoolhouse for both fees and books.

ance, the free grant being in excess of the estimated amount received from fees and books.

ACCOMMODATION IN THE TANTFIELD SUB-DISTRICT.

A letter was read from the Education Department, stating that the proposals made at the meeting were satisfactory, and that the Education Department was anticipating that as there appeared to be a rapid increase at present in the population of this part of the district (20 new houses have been built since last autumn), and as in Majesty's Inspector's opinion, Tansfield School was not suitably accommodated in the National School, it would probably be best to provide accommodation for a larger number of infants.

Mr. Bernays was saying that he could not be Board on September 26th.

Mr. Bernays was asked to make the request to the price of a suitable piece of land for a school, in the neighborhood of Tanfield Lane.

Mr. T. W. Aquilino was regretting that he had not been able to make it to the Board on September 26th. He said that he had been asked to make a presentation to the Board, but he had been unable to do so. He said that he had been asked to make a presentation to the Board, but he had been unable to do so.

The Board expressed their regret at Mr. Bernays' absence and their appreciation of his contribution to the school. They also expressed their appreciation of Mr. Bernays' resignation.

Mr. Bernays' resignation was accepted by the Board. He was thanked for his contribution to the school and for his service to the community.

The Board then turned to the business of the meeting. They discussed the financial situation of the school and the need for additional funds. They also discussed the need for a new building and the need for a new teacher.

The Board then adjourned the meeting. The next meeting will be held on October 3rd.

The treasurer reported a balance in the £825 4 5d.

Cheques amounting to £330 were signed.

ATTENDANCE OF NEWBORN'S REPORT.

Mr Ward reported as follows:-

All the school managers in your district decided to accept the free grant under the Education Act, which came into operation last year.

Since my last report I have made 245 visits in the parish; 17 of them were to inspect 29 children, who were not attend school.
